

SWAP RC meeting 11/17/08

Greg Gee called the meeting to order at 7 PM, at Hobby Town. He thanked everyone for coming to the meeting, 17 members attended.

Minutes for the September meeting will be presented at the next meeting

Financial secretary read the treasury report – balance of \$4,620.54.

OLD BUSINESS

In the spring we would like to have another work party similar to last year and maybe do some more dirt if we can get it and fix the fences and general clean up before the flying season gets under way.

NEW BUSINESS

Next month is the Christmas party, bring a dish to share and we'll have a good feed, Greg will bring the soda's. Also bring a gift, max value \$25 and we can exchange gifts. If you want to receive a gift bring one.

Greg will try to get newsletter out before the meeting to let everyone know.

Elections are coming up, nominations will be in January then we will vote in February and the transition of officers will take place in March. We would like to see more people take an interest in being officers and run. Lets get some new blood in here not just the same people all the time.

Russell had his red Align T-Rex 500 stolen from his truck recently and would like for everyone to keep an eye out for it.

CBRC club is having an auction at St Bernadette's on Stevenson Rd. some great deals can be found there.

SHOW AND TELL

Bob Kelliher showed us a Brickhouse child locator that will be excellent for a plane locator. Cost is \$189.00, has a max range of 500-600 feet and comes with battery and four units plus a receiver unit. Go on line and google "brick house child locator" and check it out. Bob found a unit hidden in the meeting room very easily, looks really good.

Ed Goldberg brought his pulse 25 electric again; he is ready to burn holes in the sky. Cost was about \$230., for the plane, motor and ESC. Looks good for an electric!!

Meeting 11-17-08 (continued)

Wayne and Zack also brought a heli made by E-Flight and is the Blade MCX. It is very small, weighs an ounce comes ready to fly with 4 channel radio and battery and charger for \$129.00 or without the radio for \$99.00. Units are on 2.4 GHz and can be bound to a DX7 spectrum or other radio on 2.4 GHz. Flies really great, actually by it self once tuned in. Everyone tried it and had a lot of fun.

Meeting was adjourned at 8.10 PM
