

## SWAP RC meeting 7/21/08

Greg Gee called the meeting to order at 6:30 PM, at the SWAP field. He thanked everyone for coming to the meeting, 13 members were in attendance.

Minutes for the June meeting were read, voted on and approved.

Financial report was presented; \$5,424.84 plus fun fly proceeds and a new applicant & member.

### OLD BUSINESS

Thanks were given to Pat Rose and Ed Goldberg for running the June fun fly and the great effort they put in. The next fun fly is August 17<sup>th</sup> and help to run it will be greatly appreciated. Also the big fun fly in September is coming soon and Art will need a lot of help setting up Friday and then tearing down Sunday and Monday clean-up.

### NEW BUSINESS

Doc on the internet tried to find our web site on the MD model RC club website and it would not come up. Greg will contact the web master and have them add a link to our site.

Mike Crum was presented with a Pretty Airplane/Ugly Pilot award after losing his new big airplane. Really Sorry Mike. Mike may pass this along to the next pilot who loses a plane.

Yesterday a gentleman stopped by and dropped off some items that he wanted to get rid of but did not want to throw away. One item was a Sig Kougur; it was decided to present that to Cole to finish up and fly and also an Eagle II trainer for a new kid.

### SHOW AND TELL

Mike Volkov of Red Star RC made a really great gesture, presenting Doc with one of their kit airplanes. The LAGG3 short kit was a thank you for all the advice and design help he gave to Mike and George Abramov. George also showed us a finished product with electric power and these kits and finished plane are really excellent products. Anyone interested in looking can go to [WWW.REDSTARRC.COM](http://WWW.REDSTARRC.COM).

Greg also showed a “new” SIG Kommander that was given him by Bud Happel. It was built 35 years ago and never flown. This is a very nice aileron trainer and flies great.

Meeting was adjourned at 6:49 PM
