GENERAL NOTES

A new member Eric Graybill was welcomed to the club. The upcoming Fun Fly was discussed. It will be held on Sat. June 27th. It was suggested that an optional food donation ticket be implemented whereby for a \$10.00 donation for all you can eat, a P-51 raffle ticket would also be given, \$5.00 of which would go to Art Vail toward the P-51. All agreed that it sounded like a good idea. The upcoming Aug. 15th Fun Fly was discussed. Help will be needed getting set up for it. More details will be forth coming. Raffle tickets are available for the Pulse XT that is on display at Hobby Town. Each member will be given 15 tickets to sell or purchase for themselves.

NEW BUSINESS

Field conditions were discussed, the motion was made and approved to give Jerry Canfield his next years dues free in appreciation for his contribution of time and equipment for field improvement work.

An updated membership list will be compiled and posted in the very near future. Club website improvements are being looked at to help make our website more user friendly, Mike Northrup is working on that project. Bob Pollokoff suggested that our members email addresses and other information be kept somewhat discreet and within the club.

SHOW AND TELL

Art Vail told about the crash of his plane that occurred just before the meeting, caused by an apparent radio glitch. He was on channel 51. Mike Northrup showed the plane transporting rack that he had made from 1" PVC tubing.
